Program Background

- Seeks to serve the global public interest by ensuring worldwide accessibility to, and competition within, the New gTLD Program.
- Created to assist potential new gTLD applicants seeking both financial and non-financial support.

Program Overview

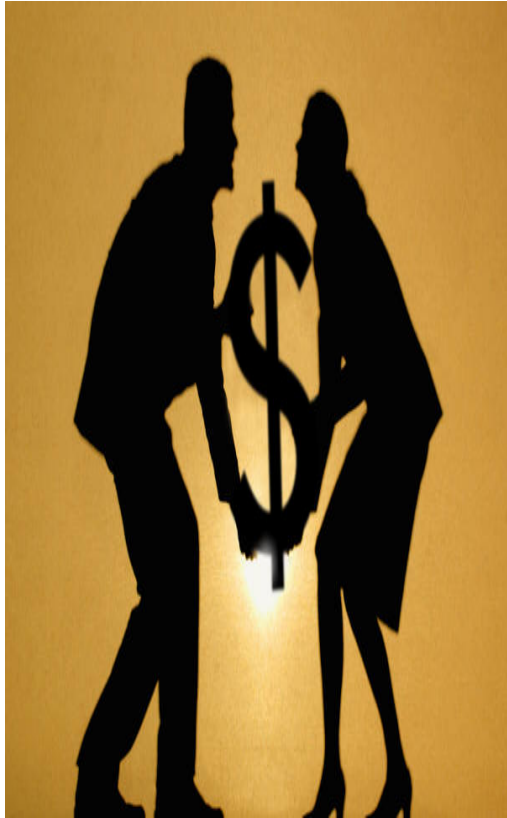

- Pro bono 3rd-party Services
- Financial Assistance
- Applicant Support Fund
- Customer service

Pro bono 3rd-party Services

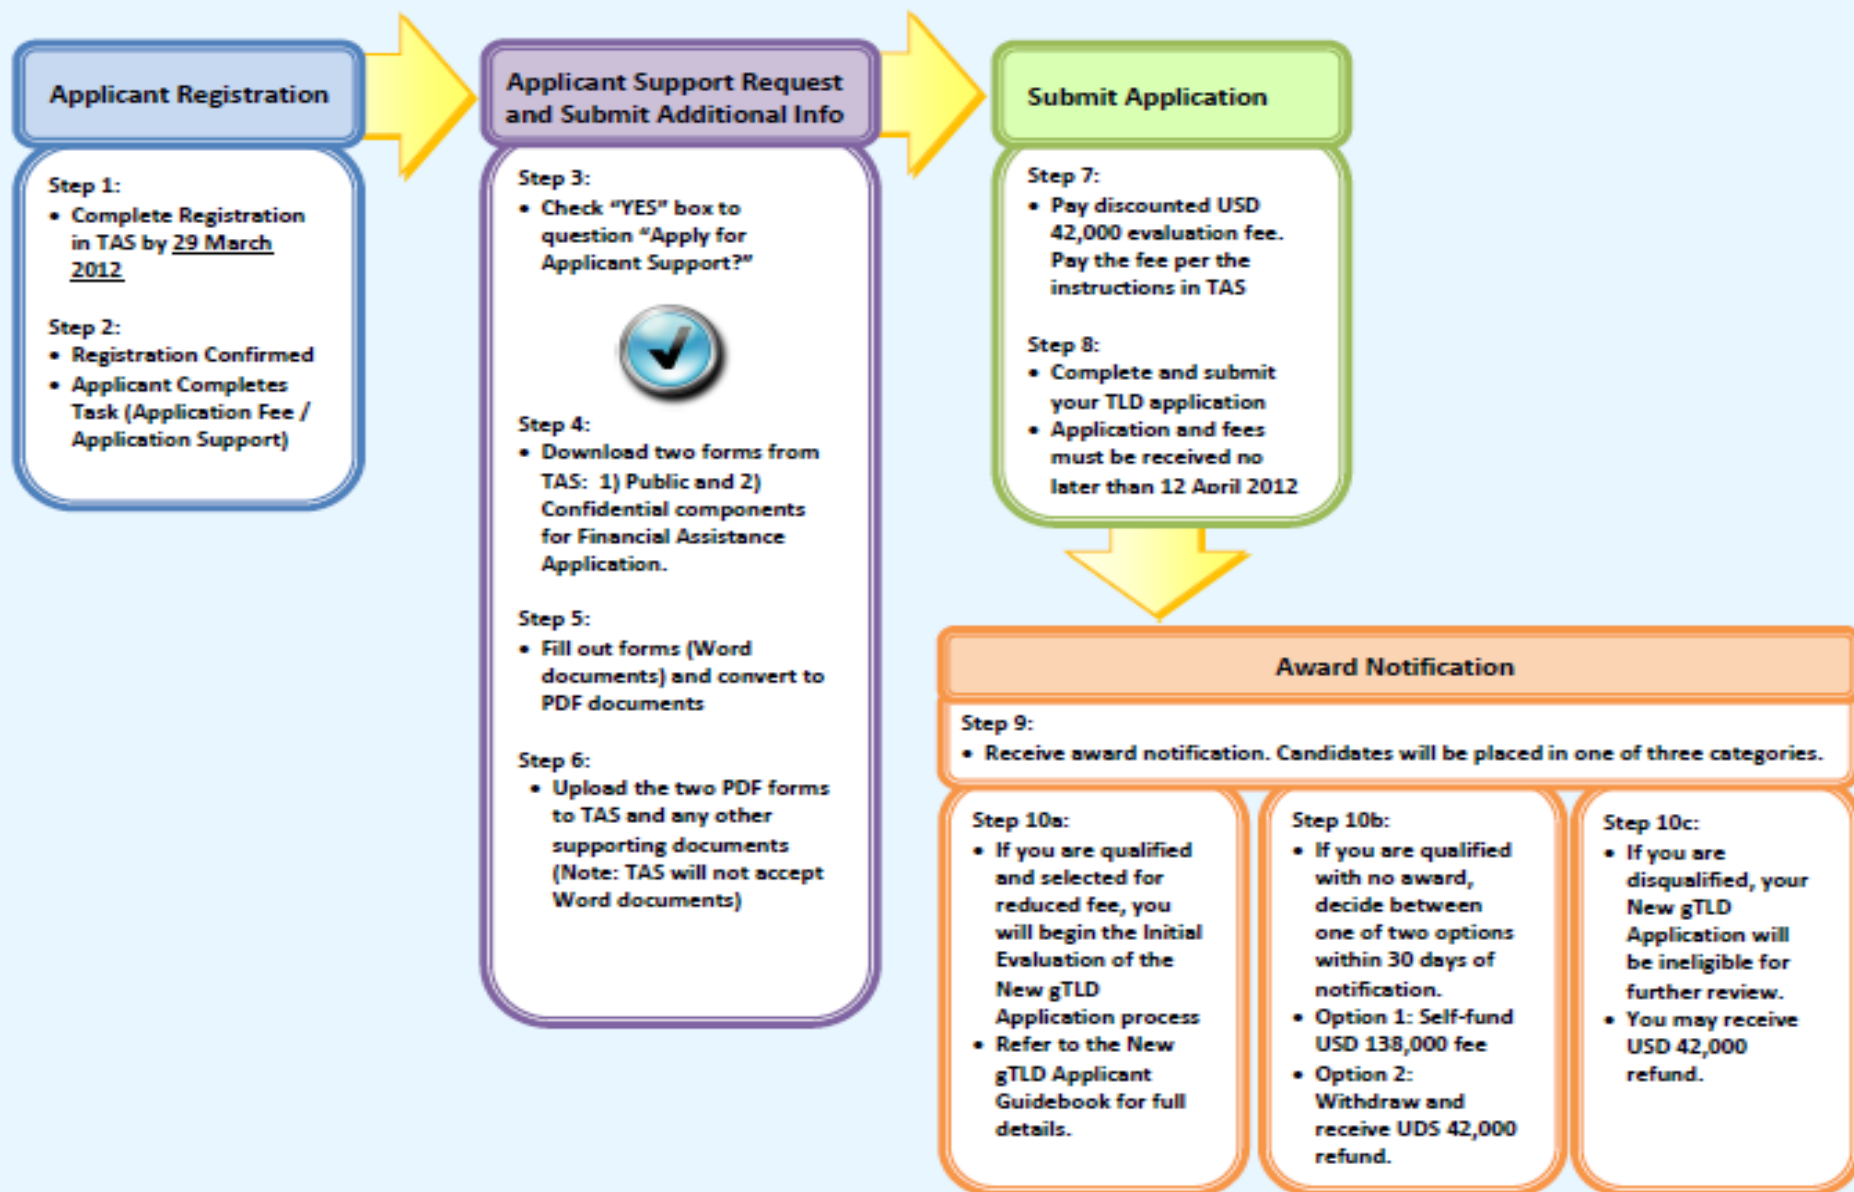

- Peer to peer community support connecting those seeking and offering pro bono services
- Directory maintained on ICANN site
- Peer to peer help with application, technical, legal, translation, etc.

Financial Assistance

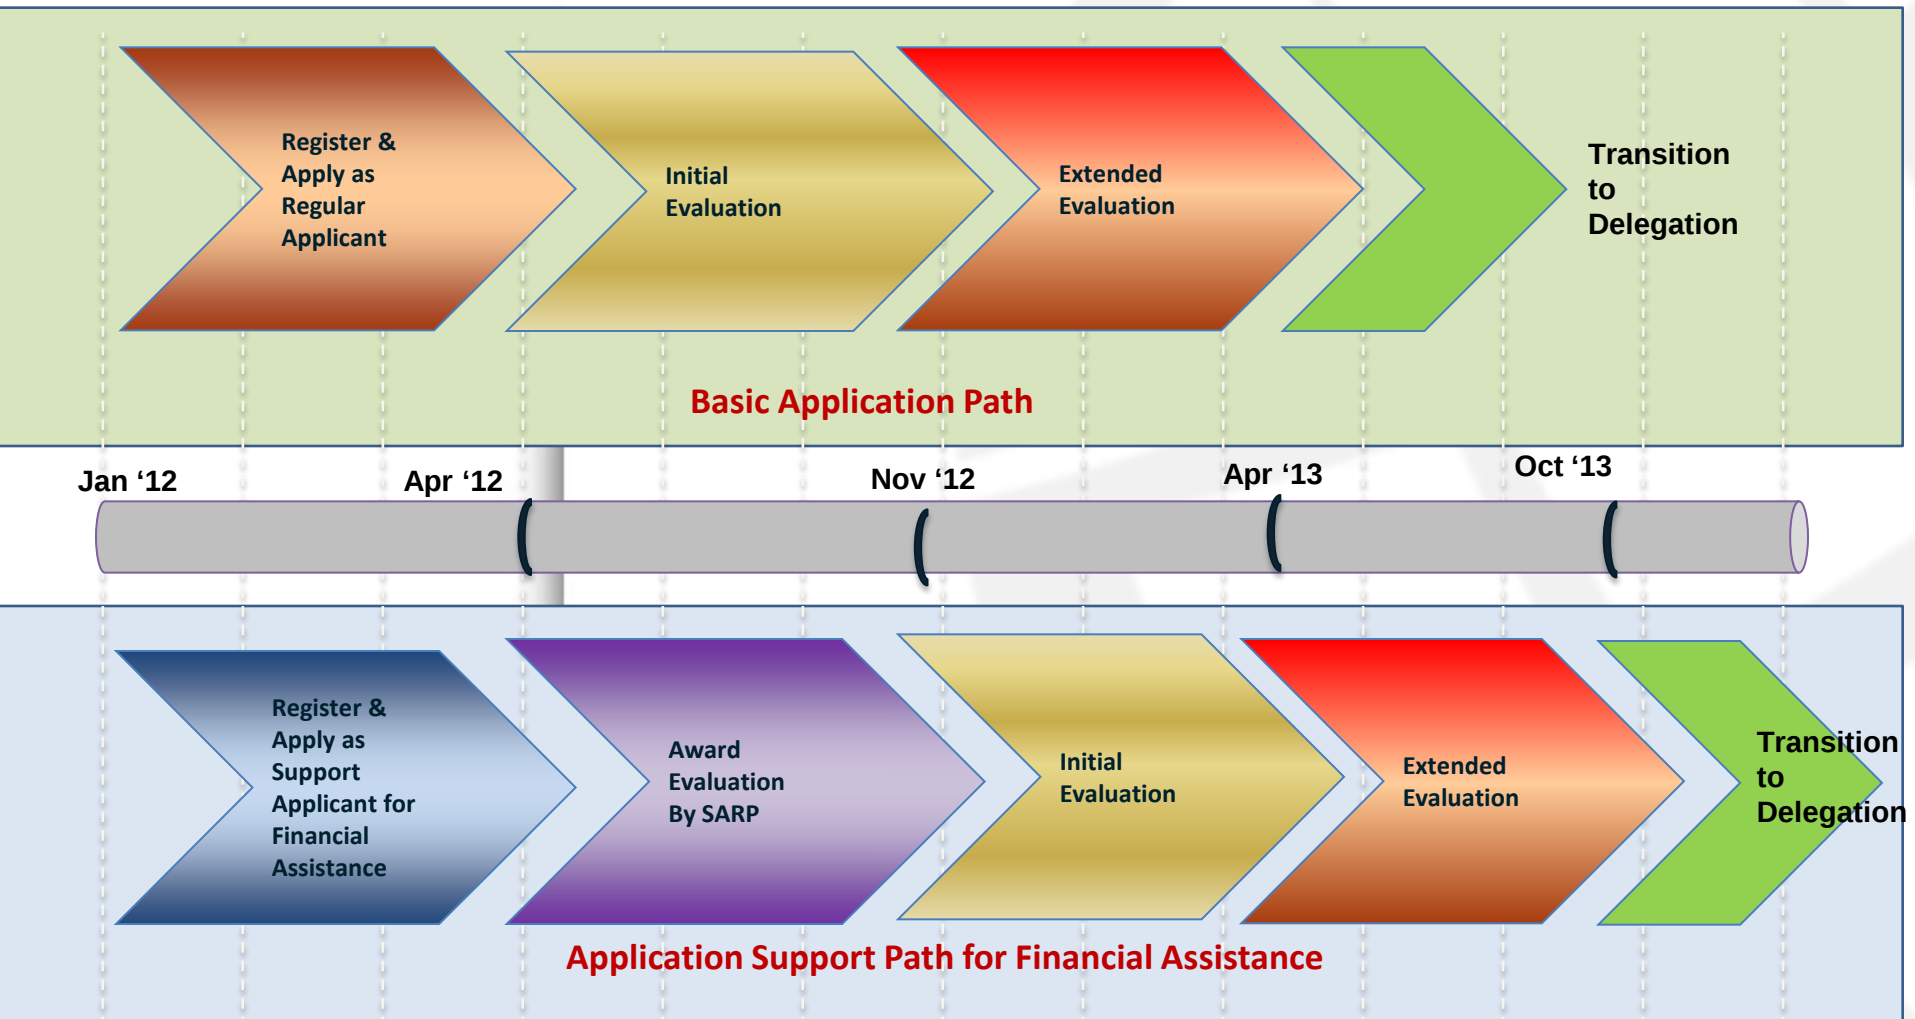

- Qualified candidates get fee reduction to \$47,000 or staggered payment option
- Additional step and info required in application
- Independent Support Applicant Review Panel (SARP) to review applications

New gTLD Application Support Process

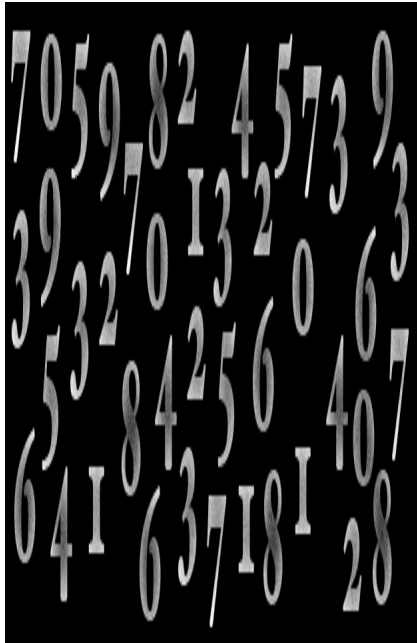

Relative Timeline for Application Support

Current Timeline with New gTLD Applications (assuming 500 or less applications)

Qualification Criteria

- Public Interest Benefit
 - must earn 5 of 9 possible points
- Financial Need
 - must earn 3 of 5 possible points
- Financial Capabilities
 - must earn 1 of 2 possible points

Important Note

If an application for Financial Assistance does not meet the threshold criteria, that application will be excluded from the entire New gTLD Program, not just the Financial Assistance component
